NEWSLETTER APRIL 2008 Volume 4

Welcome Members & Visitors!!

U First Club Ride 2008

The club's last ride attracted 27 riders which was a good effort considering the number of members away and the lingering EI problems.

We left the show grounds through Stewart's; Sellin's; McKays; Hamilton Road; Bond's; Nugent's; some went under the road and some over; Kenman's; Rowe Road; Lacey's Creek Road; McKenzie Street and back to the showgrounds.

Lorraine had arranged chicken and salad for lunch along with a tasty dessert, which was enjoyed by all. A BIG THANK YOU to everyone for their co-operation with providing waybills - we will have to continue with them for at least 12 months.

U Cabaret Tickets

The club's cabaret ticket's will be available as soon as Debby can run them off - please keep it in mind and let Bob know how many tickets you require.

Debby Kirkwood has had a trip to hospital since the last newsletter and is recovering well (as normal for Debby, not everything went as planned)!

U Team Penning

Team Penning at the Dayboro Show will require a fair bit of assistance from members. The Dayboro Cowhorse Club has offered to assist and we will return the favour where we can.

Pony Club Musical Horse Muster

There has been no response to the Pony Club Musical Horse Muster intended for this year's Dayboro Show. Please contact Diane Bell for more details.

Horse Flu

Hopefully our area will be declared "white" soon by the DPI&F as there have been no new cases of EI since the 25th December, 2007.

Horse Issues

Peter Rudd has a thoroughbred horse to give away to a good home. It is a gelding and has been on trail rides. Phone 5496 7681.

Bob Ebert has a contact at Beef City Feed Lot if you need a horse trained. For further information contact Bob.

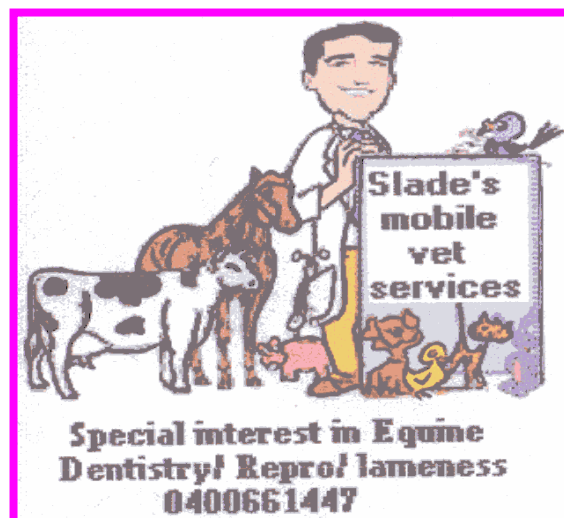

Dayboro Cowhorse Club's next event is on the 10th May, contact John Lautenbach 0407 140 092.

VALE – Annabelle, Kevin McKenzie's grey broke her pelvis and had to be put down.
