G'day!

Club Ride

Last month's ride was enjoyed by 22 riders which included 4 visitors who, after the ride, wondered where the hell they were taken! A BIG THANK YOU to Kevin and Arthur for getting them safely home. The ride left the show grounds through Tullamore Park; across Williams Street; into Railway Street; Butler's; Strong Road; Ebert's; Strong Road; under the bridge at Rush Creek; Raaen Road; Bradley's; (Pioneer) Hanson's; Bradley's; Hay Road; Mt Mee Road and home. While it was a harder ride than most it was very enjoyable and made more so by the scrumptious BBQ we shared on our return, along with the usual banter.

Cabaret Tickets

The Cabaret tickets are now available and as membership is down this year we really do need all members to sell extra tickets to make the night a success.

Team Penning

Cattle has been arranged for the Team Penning at the Dayboro Show. However, a lot of assistance will be required for it to be as successful as in the past. Please let Kayleen, Arthur or Bob know if you can help - even if it is for only one hour in the morning of each day.

Anzac Day Parade

The club was again part of the Anzac Day parade and a very BIG THANK YOU to all who took part. As normal we laid a wreath, and went for a short ride afterwards.

Horse Flu & 8th June Ride

Advice received from the DPI&F insists there will be no early declaration to "White Zone" before the 30th June, 2008. We have set the 8th June for a club ride, duration and destination to be advised.

Horse Issues

Please when you visit the club shed check the notice board – Kayleen has placed photographs etc., for all to see (and thank you to those who supply same).

Peter Rudd has given away his horse – no more calls thank you.

Dayboro Cowhorse Club's next event is on the 21st / 22nd June. Contact John Lautenbach 0407 140 092.

To Do:

Please be aware that if you are a member or a visitor the ride fee only covers your ride and lunch (food only). Cold drinks are to be purchased @ \$1.00 for soft drinks, \$2.00 for beer and \$5.00 for spirits. Tea and coffee is complimentary, and your second burger costs \$3.00. By everyone observing these fees we can continue to keep our ride fees inexpensive.

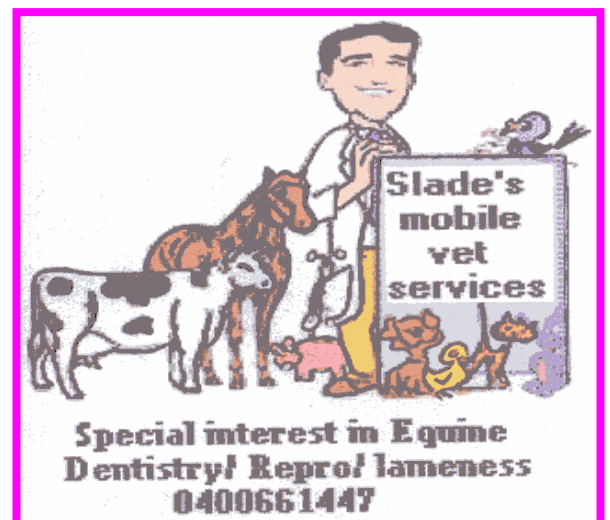

Club Membership

If you know of any past members who have not re joined please encourage them to do so – we need them – and membership Australia wide is down by almost half. The more members the less expensive the insurance.

On a sad note, Errol Sellin, passed away suddenly on the 28th April. Errol had always supported the club by allowing us access through his property in different directions. He had stated he would join us on a ride when he retired.

Unfortunately it was not to be. Our club placed flowers and a card of condolence on Errol's coffin. May he rest in Peace.

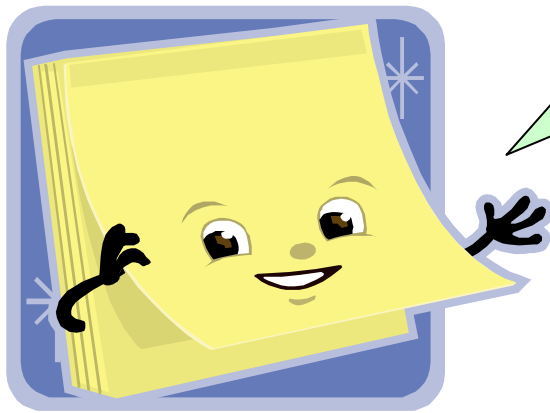

Please support our sponsors whenever possible.....
