NEWSLETTER SEPTEMBER 2008 Volume 9

Hello Members & welcome to our Guests.....

U August Club Ride

Our annual August ride to Court's property certainly did not get off to a good start with four visiting riders from Toowoomba having to pull out with a lame horse. Then about 100 yards further on Darryl Hurdle was thrown from his horse, dragged and sustained a broken arm in two places. [He was taken to hospital where a plate was inserted in his arm]. Our thanks to Jonathan for looking after him until the ambulance arrived. Arthur and Jonathan floated their horses to Court's to meet us.

We believe that Darryl is healing well which is good news. The ride eventually left the showgrounds through Stewart's; Sellin's; McKay's; Heathwood's; Bob Bond's; Desley Bond's; Kevin Sellin's; Fred's Road; Mt Mee Road and down the mountain to Graham & Lorraine's for lunch.

Our back up crew of Danny Burton and Chris Giles had the BBQ well organised and after lunch we headed for home via Hall's; Kuhn's; Rowley's; Desley Bond's; Debbie and Ross Sellin's; Desley Bond's again; McKay's; Sellin's; Stewart's and the showgrounds.

AN IMPORTANT AND TIMELY REMINDER TO ALL RIDERS TO PLEASE RIDE WITH CARE AND CONSIDERATION FOR OTHERS. For although there have been riders injured there were still those on the ride who cantered the last 200 yards, causing problems with horses coming from behind. Please, we have had enough "incidents" this year – we certainly do not want any more.

Kruger's Weekend Club Ride

Our other weekend ride to Kruger's also turned out to be rather eventful. We had only been riding about 20 minutes when Jonathan was forced to re nail one shoe. The "new" way through Lacey's Creek forestry proved to be a little harder and longer than first thought, and then there was a locked gate which necessitated another detour.

Some of the horses struggled with the distance but we arrived safe, although a little later than expected at Linda Kruger's yards.

The back up crew of Chris Giles; John Schuhmann; Debby and Gavin Kirkwood, had the camp all set up with hot water from the donkey, spuds cooking in the camp oven and the BBQ read to go. We enjoyed a great meal cooked by Gavin and Chris, supplied superbly, as always, by Lorraine Bailey.

Bed time was fairly early with an early rise the next morning for breakfast and the ride back. Four riders were unable to return on horse back due to horse problems and rider illness. Apart from some taking a wrong turn, everything went OK and we stopped for lunch at the pine trees at the end of Lacey's Creek forest. Kevin McKenzie met us not far from there and escorted us to Gary Rowe's, with flashing lights to warn on coming vehicles. Thanks Kevin, much appreciated. Some of the horses were excited by almost being home which provided some different times, but it was a great weekend ride and enjoyed by most people. Our grateful thanks go to the backup crew.

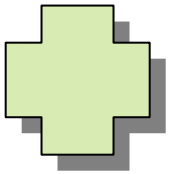

Cabaret

The Cabaret was very successful and very well attended in spite of the flu. I would like to thank all those who helped in any way, but in particular, Don & Noella for the many hours of planning and organising of food to provide such a great meal. Thank you to the cook's helpers Kevin, Kerry and Arthur; Joan Smith for her wonderful floral arrangements; Ben, Ken and Bernie for helping to set up and take down (even though they did not attend on the night). To Graham and Lorraine Bailey, with Mick Barclay's help, for a great job setting up and decorating the stage. To Pete Smith for his great music and to John Best for his poetry (we can only apologise for the bad acoustics). It really was a grand night – thanks to all members again.

**Important
DATE!**

Next month is the Big October Ride (Saturday October 25th) & we need HELP with back up crews and ride stewards. Please let Bob or Kaylene know where you can help. Better still come to next month's meeting (Thursday 7:30pm 9th October) so we can discuss and allocate duties evenly. PLEASE SUPPORT YOUR CLUB.

PLEASE!!

First Aid Course

This course is to be run on Sunday 12th October and will take approximately six hours. The club will pay for any financial member to do the course, or redo the test. Please let Kaylene know if you will be taking part.

Please support our sponsors whenever possible.....
